

2025 Oklahoma Academy Town Hall
Building a Resilient Oklahoma: Forging Our Future Beyond ARPA
Town Hall Observer Response Form

Simply and clearly, Town Hall Observers are “observers” only. They may roam between the five Panels (groups) and observe the formal discussions being held as a part of the Town Hall proceedings. They may participate in the evening receptions, meal functions, major plenary sessions, and may visit with participants about the topic at any of these social settings. A person who wishes to be an Observer typically is very interested in the issue but their schedule does not allow them to be a full Participant, or someone who simply wants to learn more about the topic under focus and the Town Hall process.

When: October 26th – October 29th, 2025 (As an observer, you may come and go as you please)
Where: River Spirit Casino, Hotel, and Conference Center Tulsa, OK
Cost: Please indicate below the sessions that you plan to attend. Costs per session will cover the meal and program materials. Costs do not cover lodging accommodations. If you wish to stay at the River Spirit Hotel, you may call (888) 748-3731 to make a room reservation. Hotel Rate is \$139 per night plus taxes and fees.
